“pure aniline natural leather”

FULL ANILINE LEATHER

Panama is pure aniline natural leather and is produced on the finest European raw material. Utilising natural oils and waxes in the drum, this leather produces a classic transparent finish with a slight pull up effect. Mineral tanned and Environmentally friendly this leather will last and age forever. Natural hallmarks in the leather and colour variation may be seen and illustrate the authenticity and purity of the leather. The Panama is suitable for use in both Domestic and Commercial applications.
