BOTANICAL

NSW LEATHER CO. PTY LTD

BOTANICAL

Introducing our new Botanical range. This beautiful soft leather is available in a vivid selection of colours possessing a subtle pull up effect. The tanning process utilises vegetable tanning extracts that eliminates metals completely, allowing for 40% less water in production in a sophisticated process called

Green technology. It is a USDA certified Bio Based Product, and utilises renewables energy throughout production. Providing a smooth premium fine grain that is fully bio-degradable, organic product & is the perfect choice for specifiers as it is suitable for commercial and domestic applications whilst possessing the stamp of approval regarding 'Environmental sustainability'.
